

GreenLight: NEXT 2017

Celebrating our 5-year anniversary and looking forward to the NEXT 5 to come!

Friday, November 10 2017

St. Regis, San Francisco

6-11 p.m.

Since our launch in 2012, GreenLight Bay Area has invested over \$3.5 Million to import 4 innovative, impact-driven portfolio organizations to create sustainable change for low-income children and families throughout the Bay. This year, we are taking a moment to reflect on all that we have achieved with our community of supporters and look towards the future of GreenLight Bay Area.

Help us recognize the work we have done along with our portfolio organizations over the last 5 years and look forward to the impact we can create in the next 5 by considering a sponsorship for NEXT 2017!
