# WOW

YOUTH GUIDANCE

# ABOUT THE PROGRAM...

## WOW was launched in 2011,

as an innovative response to the urgent need to reach girls and young women of color across under-resourced Chicago communities.

## WOW is a two-year school-based curriculum, delivered through 26 weekly group counseling lessons,

implemented for 7th-12th grade girls and young women, living with high-risk for exposure to trauma.

## WOW Counselors deliver the weekly curriculum

in a designated classroom, inside the school, during the school-day, in a WOW room that is considered a safe space - free from stigma and judgement.

## WOW group sessions

include 10-12 young women and each counselor has a case-load of roughly 55 young women, per-school.

## Impact

62% of WOW students experienced fewer PTSD symptoms\*

71% of WOW students experienced fewer depression symptoms\*

96% of WOW students reported that the program has helped them make better decisions for themselves
